

Genesee Valley Health Partnership Member Network Agreement

This Statement of Agreement, made and entered into between _____ (hereinafter referred to as the Partner) and the Genesee Valley Health Partnership;

This Statement of Agreement indicates that the Partner agrees to accept membership with the Genesee Valley Health Partnership (GVHP) consistent with its vision, mission, purpose, bylaws, and approved workplan. The Partner agrees to become an active participant in general efforts and activities directed toward appropriate evaluation, planning, development, and utilization of GVHP. Members are encouraged to present critical needs and trends relative to Livingston County, review workplan objectives, and suggest new initiatives to address emerging needs. It is the intention of GVHP that each member agency or organization hold equal decision-making power as outlined in the GVHP Bylaws;

Both parties understand that further item or specific agreements and memorandums of understanding may have to be negotiated and entered into as GVHP's programs evolve; and

Both parties agree to cooperatively seek full compliance with New York State Department of Health (NYSDOH) Rural Health Network guidelines and requirements; and

There is no financial cost required to become a GVHP member. For further details and expectations of members, please refer to the *Genesee Valley Health Partnership Membership Packet*.
