1. Welcome & Introductions

Tara Coffey, Board Member of the Genesee Valley Health Partnership Board of Directors, welcomed all attendees to the quarterly General Membership meeting. Members and guests were invited to introduce themselves.

2. Presentation: Ann Olin Lifespan on the Geriatric Addiction Program

Powerpoint presentation shared which will be posted on GVHP website. Recently expanded into Livingston County. 99% in home visits, occasionally via telephone when necessary. No OASIS oversight. CASA Trinity mentioned they had fact cards on alcohol and prescription drug interactions and these will be shared with partnership.

3. Treasurer's Report

DeAnna presented the Treasurer's Report.

4. Updates on the Partnership

Reid Perkins proposed a new Board member to take the place of Jim Peraino who resigned end of last year. Jill Burley from the Department of Health was introduced by Reid and then spoke about her resume and interest in the Partnership. Sandy Kelly seconded the nomination, a vote was taken and passed unanimously.

Coordinator Report

- Grants were applied for to support Community Gardens in Mt. Morris and Nunda - Solar Ridge and Excellus. We were notified last week of a \$4000 award from Excellus.
- Application for United Way funding submitted by Rachel Pena in May.
- Healthflash - trying out some new formats, to make it more engaging and get better click through rates
- Please share any pictures for use in Newsletter and/or Facebook
- Capitalize on any other organizations that can share our info like we do theirs to Boost our audiences

Suicide Prevention Taskforce

Lynne Mignemi, Chairperson of the Suicide Prevention Taskforce, reported on the group's activities.

- **SUNY Genesee Out of the Darkness Walk** – April 15th at the college green. Sisters Making a Change is the campus partner for this event.
- **Lock and Talk Livingston** – Lock and Talk continues to spread across the state. virtual meeting with the VA Medical Center on Long Island. They are interested in bringing this program to their area. Psych Armor; she may do virtual Save training for them.
- **Community Engagement** – Presentation at DSS in March, two focus groups with older adults through the Office of the Aging, there will be two focus groups held with older adults; one in Dansville in May and one via Home delivered meals in June. There will also be communication with adolescence and young adults at the Dansville youth group in April. Via a Triad meeting Lynne and Joan shared information about suicide prevention and our Task Force. Triad meets monthly. This group has representatives from each of the 17 communities in our county as well as from the Sherriff's Office and the State Troopers. Lynne also spoke at the Office of the Aging Advisory Council Meeting in April. Groveland Fire Department events. Continuum of Care coalition presentation next week. Wadsworth Library open house next week, Safety before Summer in Wayland on Jun 14, 2023 , Avon Sr Nutrition.
- Suicide risk assessment tool for youth involved in the juvenile justice program working with Columbia University
- **2-1-1 Lifeline 2022 Data** continues to be shared with the task force
- **Coroner's Data** – There are no confirmed suicides as of March 28 for this year.

Trauma-Informed Care

Rachel Pena, Chairperson of the Trauma-Informed Communities Committee, reported on the group's activities.

- Committee distributed pinwheels and yard signs promoting child abuse awareness across the county
- Continuing with Solution Focused follow up sessions with our trainers- 1 session held in February and 1 on May 15th
- Working with the Center for Healing and Justice through Sport to do a survey of coaches around trauma/ACEs/youth development and will then organize a training for youth sports coaches based on responses
- Several members attended the NEAR (Neurobiology Epigenetics, ACES and Resilience) training of trainers in March and will be developing plan for facilitating the training across the county with community members and organizations

Be Well in Livingston

Lisa Kenney, Chairperson of the Be Well in Livingston Committee, reported on the group's activities.

Roles and Descriptions for Be Well Communities:

- Chair and Co-Chair, Social media manager, Note taker, Recruiter, Event volunteers, Generic descriptions needed

Podcast done by Tara and Lisa - We can measure anything - Nicole Alioto. They recommend SPTF and TIC to do this as well.

5. Partner Updates

Keith Mitchell: 7th Aging mastery class held with 11 participants. Exploring other ways to get the word out about the classes. Attendance lighter since COVID. Usually do classes spring and fall. Suggestions included attending TRIAD, exploring a hybrid model class, advertising in the paper (Livingston County News) instead of the Pennysaver.

Livingston County Department of Health: Rabies Clinics ongoing. Breast Feeding Clinic May 23. Medical Reserve volunteer group recruitment ongoing, need support staff as well. They help with emergent and non emergent events. Citizen Preparedness Jun 8, 2023 . Partnership with CASA-Trinity.

Cancer Services Program. Mexican Consulate coming to Geneseo on Sept 6, 7 and 8, St. Michaels Episcopal church. They help migrant workers with service providers are welcome while Contact the Cornell Farm worker group.

Arc Glow: Membership drive going on. Go to Arcglow.org website and for \$1 become a member which helps give the organization leverage for funding.

CASA Trinity - have the youth survey reports (risk and protective factors) which they will share. There will be an online public facing dashboard from 2022. You can look at different data indicators. Youth Mental Health First Aid being offered this summer, also the NEAR training.

Gabrial Geiger: Lifespan: New program in Livingston Financial Management Assistance Aged 60 and over budget, bill paying and balancing. Program works with volunteers and staff members goal is to maintain independence. Can provide presentations to groups (Financial Fitness) Has worked with Aging Mastery programs. Difficulty with Finances. His contact information is ggeiger@lifespanrochester.org, 585-280-8667.

Cornell Cooperative Extension: Bike helmets for kids are available. Safety Seat Check on Jun 3, 2023 . Seed to Supper programs ongoing currently. Master Gardner certification coming in the next 6 months.

Dansville Pop Pantry - June 12, 2023. Need some info to provide with fresh produce so folks know how to use it, preserve it, etc for these perishable items.

Wendy Morris (WIC) has been attending the Pop up Pantries and speaking to folks in the cars as the WIC outreach worker. Learning so much with each interaction and shares information and resources with these folks. She is willing to add any other information partners would like her to.

6. Next Meeting & Tentative Agenda Items

The next meeting will be held on Thursday, September 21th at 2:00pm at Noyes Hospital Conference room or via Zoom video conferencing. No agenda is set, if you're interested in presenting or have an idea of a presentation that would be of interest please contact info@gvhp.org
